## *How to get the most from this Relationship Report*

*The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.*

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

## All about John`s Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

### The Seven of Diamonds Person

#### The Card of Spiritual Values

The Seven of Diamonds is one of those unique cards called a 'semi-fixed' card. As part of a special family of seven uniquely different cards, these people fall into a different category and have a special mark on their lives. They are very stubborn, but they are also extremely creative and some are destined to become millionaires in this life by accessing the high side of this spiritual money card. By suit, they are always connected with money. As a spiritual number, they must maintain a non-attached attitude about money or there will be continuous problems in this area. We find they are either worrying about it all the time or not worrying and having as much as they like. Regardless, many of their life lessons will come through this avenue.

The other avenue is their close relationships. Family, lovers and friends are all very important to the Seven of Diamonds person. They have close ties, for better or worse, with their family and share in their trials. They have a high, spiritual love nature that often entails making personal sacrifices for their family and other close relationships. There is little they wouldn't do on behalf of their parents or family. This is one of the most spiritual cards in the deck and as such, their success comes from approaching life in ways other than traditional or materialistic. The most successful among them are the ones that live in the faith that all their needs will always be provided.

They are usually restless, making frequent changes in either occupation or location. Their love life usually entails sacrifice and disappointment until they learn to let others go and be as they are. In their spiritual studies they find inner satisfaction and validation for their own intuition. Once on the spiritual path, everything in their life is put into proper perspective and they can excel in any chosen field.

#### Some of the Seven of Diamonds Issues Concerning Relationships

For such a spiritual card as the Seven of Diamonds, issues in relationships revolve around letting go of personal attachments and developing a more spiritual approach to love. They are, by nature, very loving people and are willing to make sacrifices on behalf of those they love. There are bound to have one or more karmic love involvements that challenge them to raise their level of love to more spiritual and responsible heights. Like other cards, they have high ideals associated with love and partnership. But these people are more or less

destined to have these ideals tested every step along the way. Their stubbornness and independence attracts powerful relationships into their life, ones that teach them important lessons.

Most Seven of Diamonds females are attracted to, and often marry men of the Heart suit. They also hold some fantasies about Diamond men. The male Seven of Diamonds is attracted to Spade females and usually has many Club females as friends and associates. Club males challenge the Seven of Diamonds female.

## *All about John`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### King of Hearts as Your Planetary Ruler

This ruling card accentuates the fatherly side of your personality, encouraging you to be a good parent. As a matter of fact, you probably take your parenting quite seriously, if you have children. Most people with this card do want children and have them sooner or later. This card gives you an authoritative bearing and leadership ability. You can stand up and claim your own space. If you are a woman, you have no trouble handling the men in your life. You are strong-willed and have a quick mind that is capable of making fine distinctions. You probably did well in school. Finally, the King of Hearts bestows some romantic and charismatic power to you - the ability to use charm and persuasion to get what you want from others.

## All about Kelly's Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Nine of Clubs Person

The Card of Universal Knowledge - The Giver of Knowledge

Though this is a card of expanded consciousness, it is also a card of negative thinking and any individual of this Birth Card is working with both of these factors to one extent or the other. These people must let go of many negative mental patterns accumulated from past lives if they are to access the inherent power in this card. There are many who do and who have reached the very heights of recognition. This is also a card of sexual enjoyment. If this sensuous side is allowed to dominate, much time and energy is wasted that would otherwise elevate them to great accomplishment.

The Nine of Clubs is here to end a major cycle in their soul's development, a completion that should see them giving their wealth of knowledge to the world. There are some debts to be paid, especially to those of the Queen of Hearts card and their own families, but once these debts are paid, they can proceed with their cosmic task of enlightening the world. Financially, they are always assisted by Diamond men and they do well in their own business if they don't let the pursuit of money spoil their spiritual values. They cannot be totally materialistic or mercenary even if they try.

Some of their life challenges revolve around honesty and integrity. They are often involved with others who are not so high in these areas and this can pull them down. They are here to learn to focus their mental power and stick to a philosophy that will guide them through the ups and downs of life.

Some of the Nine of Clubs Issues Concerning Relationships

The Nine of Clubs is a loving and highly sexed individual. They actually love romance more than marriage and perhaps this is why some of them have extra-marital affairs. They are also very devoted to their children. There is destined to be one or more very challenging relationships in their life as they have a need to grow up and learn about the responsibilities involved in a true partnership. It is also likely that they will have one major divorce in their life that will alter their life course.

The Nine of Clubs has high love ideals and can be romantic to the extreme. Often, this fragile dream of love comes crashing against the rocks of reality and misplaced hopes and dreams, and they do suffer as a result.

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Two of Hearts as Your Planetary Ruler

This is a card of the heart, and it is called the 'Lovers Card'. Therefore, we know that relationships are extremely important to you, especially those of a more intimate nature. This card gives you a pleasing personality, one that others find soothing and attractive. It also makes you an eternally curious person who loves to learn new things and read new books. But more than anything else, you are on a search for the perfect love partner. You have high standards for love and are probably attracted to those with whom you have shared past lives. Only the highest form of love will truly satisfy you. It must be eternal and mystical. But, until you find that perfect love, you will usually make sure there is someone in your life that you can love. Love is very important to you.

## *All about the Love Connections you share*

*Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.*

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

## *The First Connection Between You*

John

Kelly

*Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.*

Kelly is the Mars Card to John

Location: Life Spread

Kelly has a definite impact on John in this relationship. She has a way of making John feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that John was or is attracted to Kelly on this level. He may enjoy this energetic connection or, at other times, be annoyed by it. If John sometimes gets mad at Kelly, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn John on may also be the same things which anger him at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But John can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Kelly can actually be a catalyst to get him out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Kelly and John go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Kelly and John have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, John should be on the lookout for the anger and competitive sides of this influence.

Because John is the one who is on the receiving end of this powerful Martian force, it is likely that he has 'anger issues' to work out that are stimulated by Kelly's presence in his life. It may appear that Kelly seems intent on doing things that make him mad, even without knowing it. If Kelly realizes this, she will be less likely to take offense at his reactions and words. In fact, Kelly is probably not doing any of the things that John thinks she is doing. This connection tells us that John is the one who is the most influenced by this connection, and so he is also the one who bears the greatest responsibility for

dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Kelly and John use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Kelly: I am aware of how much I stimulate John and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for John: I accept Kelly as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

## The Second Connection Between You

John

Kelly

Kelly is the Cosmic Reward Card to John  
Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

John is the one who is receiving this Cosmic Reward influence from

# Relationship Report for John and Kelly

## *The Second Connection Between You*

John

Kelly

Kelly. This means that Kelly could be a very important blessing in his life, if he is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that John may feel drawn to Kelly because he can perceive that Kelly has these qualities that are a part of his destiny. If John is creating a happy life for himself, Kelly will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Kelly truly feels encouraged to give to John and to share her wealth and abundance with him. This giving attitude can be part of a good foundation for a successful relationship. But, if John has not yet dealt with his own need for change in this lifetime, Kelly may just serve as a reminder to him of this fact. If this is the case, Kelly may seem more of a confronting and challenging influence to John.

So, we see that much of how this connection affects the relationship lies in the hands of John. It is for him to decide what to make of it. Hopefully, he will be ready to receive Kelly as the blessing in his life that she has the potential to be. Later, he may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Kelly: I am glad to be a blessing in John's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for John: I am grateful for the presence of Kelly in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

## *The Third Connection Between You*

John

Kelly

Kelly is the Saturn Card to John

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Saturn has traditionally been known as the planet of hardship, coldness and difficulties of all kinds. And in fact there are some Saturn relationships in which these qualities predominate. However, there are many Saturn relationships that have other qualities, and in these we see the more positive aspects of Saturn's influence. We cannot predict exactly how this relationship between Kelly and John will be affected by this connection because that will depend upon how consciously they choose to apply the energy of this connection. It can be very constructive or it can be difficult and depressing. So, here we will define some of the qualities more specifically so that it can be understood fully.

In this relationship John has somehow chosen Kelly to be his teacher. Though this may not have been a completely conscious choice, it is so just the same. Kelly, being his Saturn Card, will experience a natural inclination to help John by making suggestions for improving his life or career. Just having Kelly in his life is a reminder to John of things he needs to do in order to make his life better than it is. A Saturn person teaches us how to be more responsible, grown-up, practical, disciplined, conscientious and fair. They will help us to become more aware of how our words and actions affect those around us. These lessons can result in John becoming more successful in his work, especially if he has strong career aspirations or goals of things he wants to attain. On some level, Kelly is a father figure to him and indeed she may remind John of his father in many ways.

Taken with a positive attitude, John may make great progress in his life by the presence of Kelly. The closer this connection is to being the first connection in this relationship, the more important this relationship is for John in terms of what he needs to learn. The best possible attitude would be where John acknowledges Kelly as his teacher. Not that he needs to give up his own thoughts or beliefs to Kelly, but just that there are probably things that he can learn from her.

In extreme cases a person that is Saturn to us can be abusive. The other side of that coin is a person who inwardly hates who they are so much that they secretly desire to be abused, just as much as they abuse themselves already. In these cases, the Saturn person will be the mirror of our own self-hate and disrespect. Indeed, in these cases, the Saturn person is abusive, verbally and otherwise. The key then, is 'When do we stop being abused by the Saturn person?', or 'When do we start loving ourselves enough to attract someone

# Relationship Report for John and Kelly

## The Third Connection Between You

John

Kelly

more loving and considerate?' Our relationships are always a key to find out how we treat ourselves. We invariably choose someone who mirrors the way we feel about our self. John would do well to reflect on this if he finds Kelly exhibiting any of the abusive forms of this Saturn energy.

The most positive Saturn relationships are those that help the partner achieve their dreams by aligning them with the hows and how-to's of success in the world. A Saturn partner can provide us with direction, understanding, coaching and wisdom - all of which can help us achieve our goals. The Saturn person can handle us. They can put us in our place, where other people may be unable to do so. Therefore we can develop a lot of trust and respect in them. And sometimes that is just what we need, someone to show us the boundaries and discipline us a little. If John is, or was, strongly attracted to Kelly, then this is very likely the case.

Affirmation for Kelly: I understand that I have the ability to see all of John's faults and shortcomings and share suggestions with him lovingly and with the awareness that I have a powerful effect on him.

Affirmation for John: I realize that I chose this relationship with Kelly to help me grow in important areas of my life. With that in mind, I accept her suggestions so that I may learn and make progress in becoming a successful and happy person.

## The Fourth Connection Between You

John

Kelly

Kelly is the Moon Card to John  
Location: Life Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long term commitments. When someone is our Moon card, we feel very close and comfortable with them.

In this relationship, Kelly is a Moon Card influence to John. Her presence in John's life is like a healing balm that soothes him. She provides John with nurturing support and a sense of foundation, security, home and settledness. John, on the other hand, brings many good things into Kelly's life. He brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. In this relationship Kelly and John have a strong communication link. This makes it easy for them to share ideas, thoughts and feelings and makes this one of the highest connections that exists

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

for overall compatibility. Whether they realize it or not, John is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind though, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended unsuccessfully because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Kelly is not willing to be the supportive, nurturing person in this relationship, or if she is unwilling to take the back seat to John in key situations, this relationship may not last. Likewise, if John is unwilling to provide leadership, perhaps because he doesn't have any clear direction for his life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them and usually dictates how they are together. When Kelly and John are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Kelly: I am very grateful for John's presence in my life. He is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being John's support person. It feels natural to give of myself in this way.

Affirmation for John: I am grateful for the presence of Kelly in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that she does for me and our easy and natural communications.

## The Fifth Connection Between You

John

Kelly

John is the Saturn Card to Kelly

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This connection tells us that John and Kelly have some score to settle from a past life. There was some unfinished business that now has an opportunity to be resolved in this lifetime. This is especially true if Kelly is strongly attracted to John. Now, in this lifetime, they can take up where they left off. The essential message of this connection is that John has something to teach Kelly. That something could be one of many things. Lessons come in all shapes and sizes. Some are about relationship, some are about career or dealing with money. Others are about self-esteem, honesty, faithfulness, responsibility and fairness. We don't know which of these lessons are the ones being dealt with in this lifetime, but we do know that something important will be transferred in the course of this relationship.

It is likely that John and Kelly felt a strong attraction when they first met, and even that they felt this sort of ease and familiarity that is associated with all of the past-life connections. There could have been great romantic feelings as well. However, this connection tells us that there is also a very practical side to this relationship, one in which Kelly will be influenced by John to become more successful, responsible and practical. John could have even been Kelly's father in a former lifetime - a lifetime in which his role as father didn't get the opportunity to be fully expressed. However, this is only one of the many ways this connection could have originated.

It is certain that there is some form of 'karmic debt' that is being paid off over the course of this relationship and it is noted that many relationships with Saturn connections last a long time. Sometimes, paying off this debt is the main reason for this relationship in the first place. Though other connections may describe various characteristics of their being together, this karmic repayment may be the most important reason that John and Kelly are together. And keep in mind that the payment is being made from John to Kelly, and that the payment is some sort of lesson about life. We must also keep in mind that John is just as much bound to pay this lesson as Kelly is to receive it. This relationship is important to both of them, but each for their individual reasons.

Relationships like these show us God's hand in motion. We see God's plan for us unfolding. If we pay attention, we can learn a lot about the ordered nature of our universe and reality. This relationship demonstrates how every cause has an effect, every effect has a cause, and how some of our relationships have a broader purpose than to just be in love or to raise a family. Saturnian energies are often difficult but this relationship does not have to be so. If there

is a mutual feeling of growth and openness between John and Kelly, this relationship can be experienced as a very positive influence for both of them, one that leads them to more productive and happy lives.

Affirmation for John: I understand that I have the ability to see all of Kelly's faults and shortcomings and share suggestions with her lovingly and with the awareness that I have a powerful effect on her.

Affirmation for Kelly: I realize that I chose this relationship with John to help me grow in important areas of my life. With that in mind, I accept his suggestions so that I may learn and make progress in becoming a successful and happy person.

## The Sixth Connection Between You

John

Kelly

Kelly is the Mars Card to John  
Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Kelly and John have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Kelly and John will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Kelly is a strong stimulant to John. She will either excite him, make him angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, John will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Kelly and John were involved in some other sort of relationship in that lifetime which resulted in unresolved

feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Kelly and John may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Kelly and John will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, John is probably the one who allows Kelly to anger him. Because Kelly is his Mars Card, he is the one who is reacting to Kelly as a Mars influence. He also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for John and he probably chose Kelly to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though John may be affected a little more since he is the one receiving most of the Mars energy. If Kelly and John take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.
